ABOUT US

The company was established in 2014 and is located in Zhangjiagang City, Jiangsu Province. We have 10 automatic production lines. Annual output of tool sets is two million. We produce but not limited to hand tool sets, power tool sets, garden tool sets, wrenches and tool cabinets. Our products cover the Western European market, North American market, Russian market, South American market and Mexican market etc.

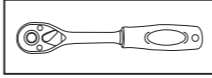

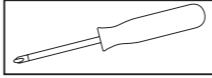

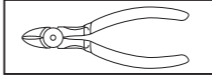

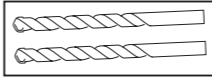

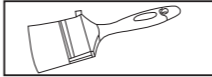

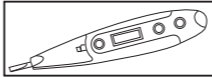

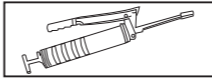

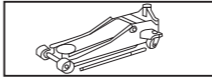

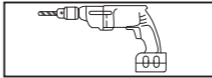

Tool cabinet production factory—Shentai, subsidiary of Xingwotai, covers an area of 30000 square meters and has over 50 production and processing equipment. We can achieve a monthly production target of over 10000 tool cabinets. Our cabinets are popular in major markets around the world.

We have global sales channels serving directly for large hardware and auto parts chain supermarkets, as well as various industrial users worldwide. And we are partner of many professional tool brands. At the same time, relying on domestic and foreign e-commerce platforms, we've provided diversified and high-quality products to global end users.

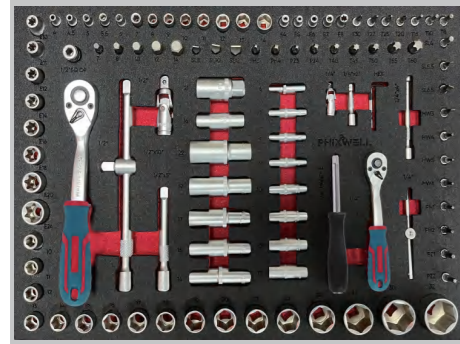

We'll continue to focus on our main business, adhering to the core concept of "customer first, keep improving, teamwork, innovation and mutual win", and commit to become a global well-known enterprise in tool industry to provide customers with better services.
